

DAILY VOCAB JOURNAL

INSTRUCTIONS:

Day 1: Choose a new word, then find your word in the dictionary. Write the word in your notebook with the definition.

Day 2: Write your word three times on your paper. Find how many syllables are in your word. Say and spell your word outloud.

Day 3: Write your word in a sentence. Say and spell your word outloud.

Day 4: Find word endings for your word. (-ing, -ed) and use them in a sentence. Spell your word without looking.

Day 5: Use a thesauras to find other words that mean the same as your word. Write two sentences, interchanging the words.
